We are the number one Title Company in Texas.
Bring us your next transaction and find out why!

Declare Your Independence

We're local

You're moving to the Central Texas area from somewhere else – why is it important to use a local company? Because we specialize in knowing everything you need to know about your new home. We know Central Texas first-hand – the land, the people, the roads, the history.

We live here, work here and invest here.

Local doesn't mean small

Central Texas is known for its big-city ideas and small-town feel. That describes us at Independence Title pretty well. We're local, but we're also the largest independently owned title company in Texas. We have nine national underwriters to support us and a network of relationships to help facilitate your move, no matter how far you have to go to get here.

Glad to meet you.

Big doesn't mean impersonal

Every employee is one phone call away from our top executives, and all decisions are made locally. That means we deliver services and solutions that are timely and personal to your particular needs. We give you the full benefit of our expertise, care, and professionalism on every transaction. Each investment you make in real estate is important to you ... **and it's important to us.**

Make us your personal title company

If you're working with a Realtor, mortgage lender, or relocation department, tell them you prefer Independence Title.

Welcome Home!
