

Lantana, Texas

LANTANATX.COM

Inspired by the Texas hill country-like terrain, the developers named the community after a native Texas flower which attracts butterflies. Lantana's Hill Country theme was created and carried out from the landscaping and German-influenced low stone walls to the architecture and historic windmills. Recognized as one of Dallas/Fort Worth's top selling communities and recipient of more industry and customer service awards than any other DFW community, Lantana continues to break new ground in creating a master-planned community that serves the ever changing lifestyles of today's families.

Parks & Recreation

Town Green

In the middle of the Town Center, the Town Green offers a lush setting for gathering with friends. Designed to further unite Lantana residents, this common ground features a gazebo and serves as the site of community-wide social gatherings. Concerts, festivals and other activities are part of an ongoing calendar of events.

Trails & Green Space

Enjoy the extensive hike and bike trails that run throughout 300 acres of permanent greenbelts in Lantana. We've taken extra precautions to build underpasses beneath major thoroughfares, so there's no fear for children crossing busy streets. Over 10,000 trees have been planted throughout the hundreds of acres of green space in Lantana to maintain the natural beauty of the Texas Hill Country.

Parks & Playgrounds

No matter which Lantana neighborhood you choose, you'll never be far from one of the numerous playgrounds that offer a safe and fun-filled opportunity for children and parents alike to enjoy the beautiful surroundings and relaxed atmosphere.

Water Spray Park & Pools

Lantana offers 2 junior Olympic-size pools located in the community. Residents can take advantage of the three additional neighborhood swimming pools and playgrounds (in the Heritage, Sandlin and Larkspur neighborhoods). The water spray park at the South Amenity Center is filled with whimsical moveable features and plenty of space to allow children to have fun in full view of adults at the pool.

Denton Independent School District has been committed to providing a quality education since it was founded in 1882. The district – located about 25 miles north of Dallas and Fort Worth – encompasses 180 square miles and contains all or parts of 17 cities, communities or major developments. Although it covers a large area, Denton ISD's unique small town community environment separates it from the growing, larger suburban school districts within the Dallas-Fort Worth Metroplex. Denton ISD is able to offer all the programs available from larger school districts while maintaining a small community climate.
