

Eules, Texas

WWW.EULESSTX.GOV

Eules is a city in Tarrant County, Texas, United States, and a suburb of Fort Worth. Eules is named after Elisha Adam Eules, a native of Tennessee who moved to Texas in 1867 and later bought 170 acres of land on the current intersection of North Main St. and West Eules Boulevard. Elisha started a cotton gin and a community center on his property, and quickly became a prominent figure among other settlers. The community developed around the land Eules owned, and the inhabitants decided to name the city "Eules" in honor of him. Eules has since grown from a population of 25 in 1915 to a population of over 51,277 in 2010. As Eules continues to grow, City officials strive to preserve its historical significance.
