

# Underwriting, what does that mean to me?

## We live here, work here, invest here.

### Experience the freedom of Independence!

Independence Title Company can issue title policies on almost every major underwriter in the United States to include Alamo, Chicago, Fidelity, First American, National Investors, Old Republic, Stewart Title and Title Resources Guaranty Company. This gives us the unique ability to “SHOP” for favorable underwriting guidelines to best handle complicated title issues, as opposed to being locked into the limitations of just one underwriter.

### Multiple Underwriters
