Send to my mailing address only at : _____

Will everyone that is involved in the purchase of this property be present at closing? _____

Please Note:

For all funds due at closing, Independence Title requires collected funds prior to wiring out any disbursements for the transaction. If you will be obtaining a loan for the purchase of your new home, a settlement statement showing the amount of funds needed for closing will be prepared upon receipt of your lender's closing instructions. Please be aware that a cashier's check, while meeting the Texas regulatory definition of "Good Funds", may not be treated as collected funds for up to 3 business days. To ensure prompt disbursement of funds from your transaction, please wire all funds due to complete closing. For your convenience, we have included a copy of our wiring instructions.
