Allen Heritage Village

Development of the Allen Historic Village recognizes the significance in preserving pieces of its past amongst the city's rapid development. As part of this project developed by the City of Allen in cooperation with Allen Heritage Guild, several of Allen's oldest remaining homes and outbuildings and a well-preserved church were procured. Additionally, several acres of land in Allen's old residential area were purchased to establish a "village" setting where the structures could be relocated and restored, forming a park where visitors could admire the structures and enjoy learning about Allen's history from interpretive exhibits.
