WESTLAKE-TX.ORG

The Town of Westlake, known as the place where the cross timbers met the prairie, holds tales of settlers from the Peters Colony, Indian treaties signed by Sam Houston, tremendous archaeological treasures, and some of the oldest settlements in North Texas. The region has always been known for its natural bounty, its trade value, and its wonderful people. The Town of Westlake and Northeast Tarrant County have maintained these distinctions over the years, becoming one of the most desirable and sought after places to live in America. Nestled in the DFW Metroplex, Westlake is a Gold Level Scenic City and home to several corporate campuses as well as many small independent businesses.
