

City of Burnet

cityofburnet.com

The City of Burnet is a picturesque city located in the heart of the Texas Hill Country near the Highland Lakes, just 50 miles northwest of Austin and 90 miles north of San Antonio at the intersection of State Highway 29 and U.S. Highway 281. This small town of 6,000 residents has accomplished tasks many thought to be difficult or even impossible for any rural community, much less one of this size. Through the vision and perseverance of governing officials, city staff, and a community willing to embrace the effort, Burnet has grown the community and the economy while maintaining the ambience and culture so dear to our citizens. Burnet is a community built upon the strength of its people. Since its establishment in the 1800's the settlers of what was then a rugged and dangerous frontier, fought against the hardships of everyday life to make Burnet a flourishing place to live and work. This is still true in many ways and just as those settlers did so many years ago, the government and citizens of Burnet keep that same ever-evolving vision.

Parks & Recreation

cityofburnet.com

Hamilton Creek Park

Located in the heart of the City and boasts lighted walk ways on either side of the creek, picnic areas, pavilion, gazebo, children's play area and fountains along the creek. Parking is accessed from US Highway 281 one block west of Highway 281 on Jackson Street.

Haley-Nelson Park

A 51 acre city park featuring soccer fields, an amphitheater, disk golf, a picnic pavilion, two washer complexes, and walking and hiking trails. HNP is located on Garden Trails Drive, just off Highway 29 West and behind the City's Maintenance Facility.

Skate Park

The Skate Park is located at Wallace Riddell Park on Highway 29 East at Rhomberg. Also featured at Wallace Riddell Park is a large pavilion and ball fields.

Burnet Quad

Burnet Quad offers ball fields, a playscape, picnic facilities, an indoor concession stand and a covered pavilion.

The Y at Galloway-Hammond

A state-of-the-art recreational facility that offers the citizens of Burnet a variety of recreational activities from indoor swimming pools to nature walkways and sports fields. Also offered are RV facilities with three-way hookups.

The Splash Park

Located just outside the The Y at the Highland Lakes, offers zero depth fun for the little ones. There is no fee for use of the Splash Park.

Delaware Springs Golf Course

An 18-hole championship golf course in the heart of the beautiful Texas Hill Country. The course offers a pro shop, driving range, putting green, snack bar and dining room overlooking the number eighteen green.

Burnet CISD

208 E. Brier | Burnet, TX 78611 | Phone: 512.756.2124 | www.burnetcisd.net

Located in the Hill Country, Burnet CISD encompasses over 700 square miles and serves 3,200 students at six campuses. Burnet CISD has a rich history of excellence in academics and extracurricular activities and is committed to putting Students First. We want a student's experience in Burnet CISD to be a launching point for the rest of his or her college and career experiences.

The first school in the town of Burnet was a private one taught in 1852 in a one-room log cabin. In following years school was conducted in the old Fort Croghan stone building. In 1885 the first Board Elections were held and six men were elected as school trustees. In 1970 the Bertram Independent School District was consolidated with the Burnet Independent School District to form the Burnet Consolidated Independent School District. BCISD has grown in size over the years. In 1990 the total enrollment of BCISD was 1,964. By 2008, it had grown to 3,452, but beginning with the economic downturn of 2008 the District experienced a steady decrease in enrollment which provided significant budget challenges. The current enrollment is 3,205 students. In many ways Burnet CISD is the heart of the Burnet community. Patrons and parents of the District are very supportive and can often be found at sporting events, assemblies, performances and celebrations hosted by the District. Burnet CISD has a rich history of putting students first.
