Education

The Austin Independent School District is the heart of public education in Austin, Texas—a city of ideas and innovation that tops the nation's rankings of the best communities in which to work and live.

AISD educates approximately 85,000 students and embraces 129 diverse school communities in one of the fastest-growing, ever-changing metroplexes in the country. In partnership with parents and our community, AISD's mission is to provide a comprehensive educational experience that is high quality, challenging, and inspires all students to make a positive contribution to society. We partner with world-class universities, innovative businesses and nonprofit organizations and engaged community leaders to prepare our students for college, career and life.

AISD is a champion for every child and is committed to educating the whole child, offering families a portfolio of rich options and programs to ensure all students have the support they need to achieve their potential and dreams. AISD embraces the Community School approach, which recognizes that all children have the potential to meet high expectations in the right environment and that the entire community has the responsibility to provide that environment for all children.
