DeSoto is a suburb of Dallas and is part of the Best Southwest area, which includes DeSoto, Cedar Hill, Duncanville, and Lancaster. The area was first settled in 1847, making it one of the oldest communities in North Texas. A post office was established in 1881, and the settlement was named DeSoto in honor of Thomas Hernando DeSoto Stewart, a doctor dedicated to the community. The National Civic League named DeSoto an "All-America City". The All-America City Award is the nation's oldest community recognition program and recognizes communities whose citizens work together to identify and tackle community-wide challenges and achieve uncommon results.
