

City of Forney

cityofforney.org

The quiet town of Forney is similar to other small towns in the sprawling web of Texas highways. It has quaint homes on tree-lined streets, and a small downtown area that is decorated with antique buildings that harken back to the city's history. Forney has been named by the Texas legislature as the "Antique Capital of Texas".

Located just 21 miles east of downtown Dallas, the City of Forney is a unique community steeped in historic tradition with a blend of modern America. Close enough to the big city to catch all the thrills and excitement of professional sports, elegant dining, shopping, plays, musicals and even amusement parks...yet far enough away to be able to return home to the peace and quiet of a small town neighborhood filled with children's laughter, little league baseball games and back yard bar-b-ques.
