

Remote Closing Solutions

Can't attend a closing at one of our offices? Maybe you don't have to!

If you have a closing and can't attend in person, please consider that Independence has several resources available that will let you stay at your home or office for signings.

Our teams can assist with arranging **Remote Ink-Signed Notarizations (RIN)**, mobile notary signings, **Remote Online Notary (RON)** signings or DocuSign signings.

RIN signings for buyers, borrower and sellers

Ink signing closing documents with your closer via ZOOM Business videoconference. Signing parties must be located in Texas. There is no charge for this service.

Mobile Notary signings

Can be arranged for buyers or sellers in almost any location across the U.S. Prices vary depending on the service but typically range from \$150-\$250.

RON signings for sellers and buyers

Can be arranged for sellers locally or anywhere around the WORLD. Prices vary depending on the service but typically range from \$100-\$125. If there is a lender, the lender must be registered with the online platform in order to qualify. Prices vary depending on the service but typically start at \$250.

DocuSign signings

Can be arranged locally or anywhere around the WORLD for buyers paying CASH. There is no charge for this service.

If you have questions and want to explore any of the above options, please reach out to your Independence Title Escrow Team for information and assistance!

NOTE: That RIN and RON sessions are subject to Texas state law requirements that some customers may not meet. Contact your Independence Title Escrow Team for details.
