THE HEIGHTS HOUSTON

Northwest of Downtown Houston sits a section of historic neighborhoods that date back to the late 1800s. Residents once flocked to the area to escape the big city, but today it's home to diverse Houstonians that are drawn to its rich and character-filled architecture, mom and pop-type shops and funky restaurants.

Find something you never knew you wanted at one of 19th Street's quaint boutiques. Thrift stores, antique havens, and cafes prove to be popular at the Heights-strip. Stop by for the "First Saturday Arts Market" on the first Saturday of each month for live music, crafts, plants and artwork.
